

NCFH is Looking for You!

Come join us in planning the 2007 Midwest Stream Farmworker Health Forum. As a Stream Forum Planning Committee member, you will have an opportunity to directly impact the content of the conference and make this year's conference Sensational!

Who are planning committee members?

Planning Committee Members are comprised of NCFH staff and other professionals involved in some capacity with migrant farmworker issues.

What do planning committee members do?

Members are asked to assist in guiding the content planning of the Forum by contributing their time through the following tasks:

- Review prior-year conference evaluations and/ or experience and provide insight on what attendees would find beneficial in future Forums.
- Provide suggestions, comments or opinions pertaining to the Forum theme.
- Actively recruit speakers to submit abstracts and present at the Forum.
- Recommend plenary speakers.
- Suggest Intensive sessions and identify potential presenters.
- Volunteer to serve on one track Subcommittee (Clinical, Outreach/Lay Health, Leadership, and Research).
- Review Abstracts and provide feedback Subcommittee during conference calls.
- Assist track Chairs in the development of the track direction and content.
- Identify "gaps" in track content and actively research potential presenters to fill these areas.
- Provide comments and opinions about recommended sites for the forum.
- Engage actively in planning committee conference calls.

Thank You for Your Support!

Planning will begin in March
