[NCFH COVID-19 Webinar Series: Resource Sharing and Discussions from the Front Line: Topic #3: Addressing SDOH & Linkages to Available Resources]

The focus of this webinar was on Addressing SDOH & Linkages to Available Resources targeting agricultural workers. Health Center (HC) staff that attended the webinar provided information about how they are helping their patients respond to the mounting SDOH factors experienced during the current COVID-19 pandemic. For further assistance, please contact us at the Call for Health program at: 1-800-377-9968.

Responding to SDOH

- **Some HC's are creating partnerships with Community Based Organizations**
 - Parent Support Specialists are communicating with families to access food bank resources, tele health and financial services to pay for utilities and housing.

Aunt Bertha

www.findhelp.org

- **Find food assistance; help paying bills, and other free or reduced cost programs, including new programs for the COVID-19 pandemic.**
 - Thousands of organizations, including non-profits and neighborhood groups, are helping people affected by COVID-19 all across the country.
