

# DIRECTORIO DE CENTROS DE SALUD COMMUNITARIO/MIGRANTE

## COMMUNITY/MIGRANT HEALTH CENTER DIRECTORY

### Como usar este directorio:

Este directorio se hizo para ayudar a los trabajadores agrícolas y miembros de sus familias a encontrar servicios de salud para cuando viajen. En cada estado, hay una lista de Centros de Salud Comunitario/Migrante a las que los trabajadores agrícolas pueden llamar para pedir ayuda. Si usted está en un área donde se encuentra alguno de estos centros de salud, usted puede contactarlos con una llamada local.

Los Centros de Salud que actualmente están participando en el programa institucional de asistencia al paciente de Pfizer tienen un frasco pequeño de medicina cerca de su nombre y las oficinas afiliadas que están actualmente activas están marcadas con un asterisco (\*).

Si no encuentra en este directorio un centro de salud que esté cerca de usted, o si necesita ayuda para localizar clínicas con servicios médicos de bajo costo, llame a Una Voz para la Salud (Call for Health) al 1-800-377-9968.

### How to use this directory:

This directory was made to help agricultural workers and their family members find health care services when they travel. For each state, there is a list of Community/Migrant Health Centers that agricultural workers can call for assistance. If you are in an area where one of these centers is located, you can reach them with a local phone call.

Health centers that are currently participating in the Pfizer institutional patient assistance program have a small medicine bottle by their name and the satellite sites that are currently active are marked with an asterisk (\*).

If you are unable to find an address for a Community/Migrant Health Center or need help finding affordable health care services, please contact the Call for Health Program at 1-800-377-9968.
