Steps to Becoming a GREAT Leader ...

At Work and in Life
Thank you Steve Jobs

“Here's to the crazy ones, the misfits, the rebels, the troublemakers, the round pegs in the square holes... the ones who see things differently -- they're not fond of rules... You can quote them, disagree with them, glorify or vilify them, but the only thing you can't do is ignore them because they change things... they push the human race forward, and while some may see them as the crazy ones, we see genius, because the ones who are crazy enough to think that they can change the world, are the ones who do.”

It’s the ……

**PEOPLE SKILLS** folks!!!
It’s NOT Rocket Science:

Workplaces that foster the right kind of culture ....
  • Attract and retain the best employees
  • Experience the most productivity from them ....and hence
  • Are **profitable**!

  It’s really simple!
Coach vs. Manage

• To coach = to develop your staff (their skills, strengths, capacity, talents) and bring out their best performance (via goals, targets, values, discussion, support, listening and drawing distinctions.)

• To manage = to control, receive reports, take corrective actions and to manage actions.

Which do you do?
“BUSINESS IS ABOUT NOTHING IF NOT ABOUT PEOPLE. FIRST, THE PEOPLE YOU SERVE, YOUR MARKET. THEN THE TEAM YOU BUILD, YOUR EMPLOYEES. FINALLY, YOUR MANY BUSINESS PARTNERS AND ASSOCIATES.”

Hear and understand me.

Tell me the truth with compassion.

Remember to look for my loving intentions.

Acknowledge the greatness within me.

In the words of Dr. Seuss:

You’re off and away.

You have feet in your shoes.
