

Free COVID-19 Vaccines For Farmworkers and Their Families

Protect yourself and your loved ones from COVID-19! The most recent COVID-19 vaccine can prevent you and your family from getting very sick and going to the hospital, missing days of work, or getting long COVID (health problems that last for months or years).

COVID-19 vaccinations are FREE for all adults and children, no matter what your immigration status is. **The Bridge Access Program** makes COVID-19 vaccinations free for adults, and the **Vaccines for Children Program** makes COVID-19 vaccinations free for children.
