

THE COVID-19 VACCINE

WHAT YOU SHOULD KNOW

Everyone has the right to get vaccinated!

It's safe

It's normal to have some side effects, like arm pain or fever.

It's effective

It prevents severe illness, hospitalization and death due to COVID-19.

You have the right to get vaccinated

No matter what your immigration status is, or if you're uninsured.

Get the booster shots

when you become eligible to lower your risk of getting very ill due to COVID-19.

Wear a mask

if you have had contact with anyone infected with COVID-19 or if there is a high risk of COVID-19 spread in your community.

Get tested for COVID-19

if you feel any symptoms (cough, fever, etc.).

**Are you an agricultural worker in the United States
and want to know when and where you can get vaccinated?**

Talk to your health care provider or call the Call for Health line at:

1 (800) 377-9968 or send us a message on Whatsapp: **+1 (737) 414-5121**
